

Jon Pousette-Dart Duo & Trio Rider

*The boys whether they come in Duo or Trio or on special occasion with drummer
Are not a demanding lot.*

*A comfortable ample room with some comfortable chairs/sofas, water/coffee/fruit will do it
And a good meal ahead of show is all of what's needed.*

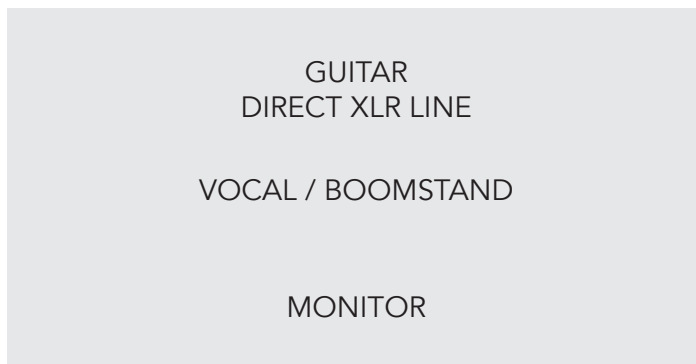

If it is Trio there is a vegetarian in the midst.

We like it to be as if your family is coming for a visit.

VERY SIMPLE.

- The D.I. lines will feed into AER amps via XLR which are basically our own D.I. / Amps
- We carry one Shure Beta 87 and one Shure KSM9 both condenser
- Needing phantom power. Beta 57 or 58 for Bass singer
- Need AC front and back for pedalboards and amps
